

SEASONS GREETINGS TO ALL OUR WINELOVING FRIENDS.

*It is with some bitter-sweet feelings that we announce the sale of our property in Pokolbin.
After 32 wonderful years we have decided to call it a day and spend some time smelling the roses.
We have retained the wine business which includes all the intellectual property and the stock.
We hold a substantial amount of quality stock and will be selling this out over the next few months.
We are offering some **ONCE ONLY PRICES** on all purchases until this stock runs out.
Moving forward we may still produce some wine and perhaps offer wine from other producers at very attractive prices.
Wines from Italy, Spain and South America may be introduced as well.
To keep informed about these exciting changes we suggest that you join our electronic mail list.
Just go to www.mistletoewines.com.au - scroll down to the bottom of the home page and enrol to receive our newsletters.*
